Ambition

Our Christian ethos is our fundamental and guiding principle. The values which underpin our partnership together are love, thankfulness, courage and wonder.

Together we seek to be both excellent and distinctive, serving one another and our communities in love, encouraging and spurring each other on. We celebrate our shared Church of England foundation as those here to serve our communities, welcoming all, being special places of teaching, learning and worship for all those who live in our community, of all faiths and none.

Together we aim to see the full flourishing of every individual we serve, creating supportive environments and communities in which everyone is loved, valued, respected, encouraged, and nurtured.

With God all things are possible
Matthew 19:26

Commitment

We have agreed on a set of practical commitments to deliver our ambition. These are set out in our PSC Plan (copies available).
