

# YOU'RE INVITED!

Are you looking for a new club for your child?

Do you wish they were more active?

Do you want something different to the school sports teams or dance classes?

**Come along to our first Circus Club of term for FREE!**

Three reasons your child should come to our **FREE** Circus Club Session

- Improve your child's motor skills and physical ability with old favourites like juggling and hula hoop
- Improve their resilience and determination with challenging new skills like flower sticks and diabolo
- Put a smile on their face as they have fun, get active and make new friends

*'Thank you for circus club. [My daughter] enjoys it so much and is definitely learning resilience and determination which I feel is an*

*important life skill' - Angelina (Parent)*

Important; Parents must book directly with Right Side Up Circus to secure their child a space.

Contact Right Side Up Circus at [emma.wright@cantab.net](mailto:emma.wright@cantab.net) to book your **FREE** space at Circus Club now!

# TRY CIRCUS CLUB FOR FREE!

Is your child bored of football/netball and are looking for a new challenge?

Or do they hate PE and struggle with team sports?

Do you want your child more active, more confident and ready to take on any challenge?

Give your child the new challenge they are looking for with skills like juggling and diabolo

Show them you can be active and confident without sports

Let us help them become ready to take on any challenge!

***“[RSU Circus] includes all participants no matter what their ability and encourages everyone to try something new. Megan's confidence has grown since participating.” - Colleen (Parent)***
