Curriculum Statement

INTENT

Our curriculum is at its most effective when it is strongly linked with our four core Christian values:

- LOVE: learning how to be a good friend, to care and show empathy towards others.
- THANKFULNESS: learn to appreciate and value what we have and live healthy, safe, fulfilling, responsible and balanced lives.
- COURAGE: Encourage children to develop resilience, self-esteem and if necessary, challenge, their own and others' values, attitudes, beliefs, rights and responsibilities
- WONDER: learn about who we are, our uniqueness, our emotions and who we aspire to be.

IMPLEMENTATION

The DfE guidance for Relationships Education and Health Education require that the curriculum is organised in such a way that: 'Effective teaching will ensure the core knowledge is broken down into units of manageable size and communicated clearly to pupils, in a carefully sequenced way within a planned programme of lessons.'

Our PSHE and Citizenship programme which follows the Cambridgeshire Primary Personal Development Programme includes teaching and learning within the following themes: Myself and My Relationships, My Emotions, Beginning and Belonging, Anti-

With God, all things are possible (Matthew 19:26)

Great Wilbraham C of E Primary Academy

bullying, Family and Friends and Managing Change, Healthy and Safer Lifestyles: including Personal Safety and Digital Lifestyles, Drug Education, Relationships and Sex Education, Healthy Lifestyles and Managing Safety and Risk (including Road Safety). Citizenship: including Diversity and Communities, Rights, Rules and Responsibilities and Working Together. Economic Wellbeing: including Financial Capability.

We recognise the increased importance of PSHCE within our timetable, now that Relationships Education and Health Education have become statutory. We ensure that it has equal status with other foundation subjects in the curriculum.

We deliver a broad and balanced curriculum for all our pupils, which recognises and values their diverse backgrounds and needs. We promote pupils' self-esteem and emotional wellbeing and help them to form and maintain worthwhile and satisfying relationships, based on respect for themselves and for others at home, school, work and in the community.

We prepare our pupils to engage with the challenges of adult life confidently and provide sufficient information and support to enable our pupils to make safer choices. Our enriched curriculum provides opportunities to practise applying and embedding new knowledge so that it can be used confidently and skilfully in real life situations.

IMPACT

We assess children's learning in PSHCE in line with approaches used in the rest of the curriculum. Children's learning is planned using learning objectives which are explained to the children, and we negotiate success criteria with them at the start of each topic. Teachers draw on their observation of children's learning and children's self-assessment to arrive at their overall assessments. We record children's work in PSHCE in a class book with photos, records of discussion and work completed. We use the assessment tools provided in the Cambridgeshire Primary Personal Development Programme to assess whether the child is working at the expected level, working towards or working at greater depth. Each unit of work includes a sheet for monitoring coverage of the content, which is used to track children's learning and coverage. Summaries of assessment information are used to assess children's learning against the DfE statements, in line with national guidance for Relationships Education and Health Education. We report to parents/carers at the end of the school year on children's learning and progress within PSHCE.

What makes a GW Healthy Citizen?

Someone who can express their feelings and emotions.

Someone who can make safe choices

Someone who cares and shows respect for others.

Someone who shows awareness of leading a healthy lifestyle

Someone who can maintain satisfying relationships

Someone who has a positive self esteem
